

## **FOR IMMEDIATE RELEASE**

Select Source International's supports the [Free Arts for Minnesota](#) program by donating supplies, and attending events throughout the summer.

Free Arts Minnesota is a nonprofit organization dedicated to bringing the healing powers of artistic expression into the lives of abused, neglected and at-risk children and their families. Free Arts Minnesota is dedicated to healing young lives through artistic expression. Free Arts recognizes that abuse encompasses a wide range of experiences such as trauma caused by violence, neglect, poverty, and homelessness.

Free Arts knows that artistic expression is a successful way to externalize emotions and gain self confidence. Through dance, drama, writing, music, painting, sculpting, photography and other avenues of creativity, Free Arts volunteers work to increase children's self-esteem and build character by unlocking the imagination. Children and families participating in Free Arts programs learn ways to channel emotion, release anger and express themselves safely. Building artistic skills gives children a positive sense of their own abilities.
